

PINK LEMON-RAVE

Ingredients:

1 can chilled RAVE Punk carbonated wine

¼ c. fresh lemon juice

2 tsp. sugar

Ice or frozen grapes

Directions:

- 1) Mix the lemon juice and sugar. Heat in the microwave or in a saucepan on the stovetop slightly, just until sugar dissolves when stirred. Cool completely—you can add an ice cube, if you'd like.
- 2) Pour the lemon syrup into your glass. Pour the RAVE Punk slowly down the inside of the glass, so you don't lose very much of the carbonation. Stir gently with a cocktail stirrer.
- 3) Serve with ice or frozen grapes and a lemon wedge, if desired.
